

THE BIRDO CHALLENGE - MAY 2020

Step 1: Get a BIRDO by completing five challenges in May that line up in a row across, up/down, or diagonal. Of course, you can always complete more than five challenges!

Step 2: Post a fun photo of you with your completed BIRDO card on Instagram or Facebook by the end of May 31, 2020, making sure to tag @MadisonAudubon and use the hashtag #BirdoChallenge. One entry per person.

Step 3: Await the results of the drawing on June 1, when three lucky winners will win a free Madison Audubon class, t-shirt, or hat (winner's choice)!
